

**REMARKS**

The applicants express their appreciation to the Examiner for the helpful telephone discussion with their undersigned representative.

The claims have been amended to obviate the basis for the Examiner's refusal to enter the applicants' amendment of September 14, 2007. In particular, claim 56 has been amended by re-inserting characteristic (c) and claim 61 has been amended to include the monomodal/bimodal feature added to claim 56.

The claims as thus amended do not raise any new issues. Accordingly, entry of the present amendment with allowance of the application is requested.

Respectfully submitted,

MORGAN LEWIS & BOCKIUS LLP
